World Bank grants for AIDS control

584. MS. PRAMILA BOHIDAR:
SHRI B.J. PANDA:

Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state:

(a) whether the World Bank proposes to grant loan of $250 million for the third National HIV/AIDS Control Project;

(b) what is the status of this menace in the country and whether it still poses a grave threat to India's health gains and economic growth;

(c) if so, the details thereof indicating its status in Orissa;

(d) whether the other worlds agencies also propose to fund the above project;

(e) if so, the details thereof; and

(f) what is the time-frame within which this affliction is expected to be controlled in the country?

THE MINISTER OF HEALTH AND FAMILY WELFARE (DR. ANBUMANI RAMADOSS): (a) and (b) Yes, Sir. The prevalence rate in the country is around 0.36%. If the prevalence levels increase in the absence of preventive activities, it could affect India's health gains and economic growth.

(c) The present estimated prevalence rate in Orissa is 0.22%.

(d) and (e) During the period 2007-2012, the funding proposed by other international agencies is given in the table below.

Name	Amount (Rs. crores)
World Bank	1125
DFID	862
GFATM	1787
USAID	675
UN Agencies	323
Bill & Minda Gates Foundation	1425
Clinton Foundation	113
EU	77
Others	741

(f) The goal under the National AIDS Control Programme Phase-III is to reduce new infections estimated in 2007 by 60% in high prevalence States so as to obtain the reversal of the epidemic & 40% in the vulnerable States so as to stabilize the epidemic by 2012.

Financial assistance given under NRHM

†585. SHRI SURENDRA LATH: Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state:

(a) the details of the total aids given to the various States during the last three years under the National Rural Health Mission, State-wise;
